**Conservative media and citizens are more likely to believe in as well as spread conspiracies than other citizens and media.**

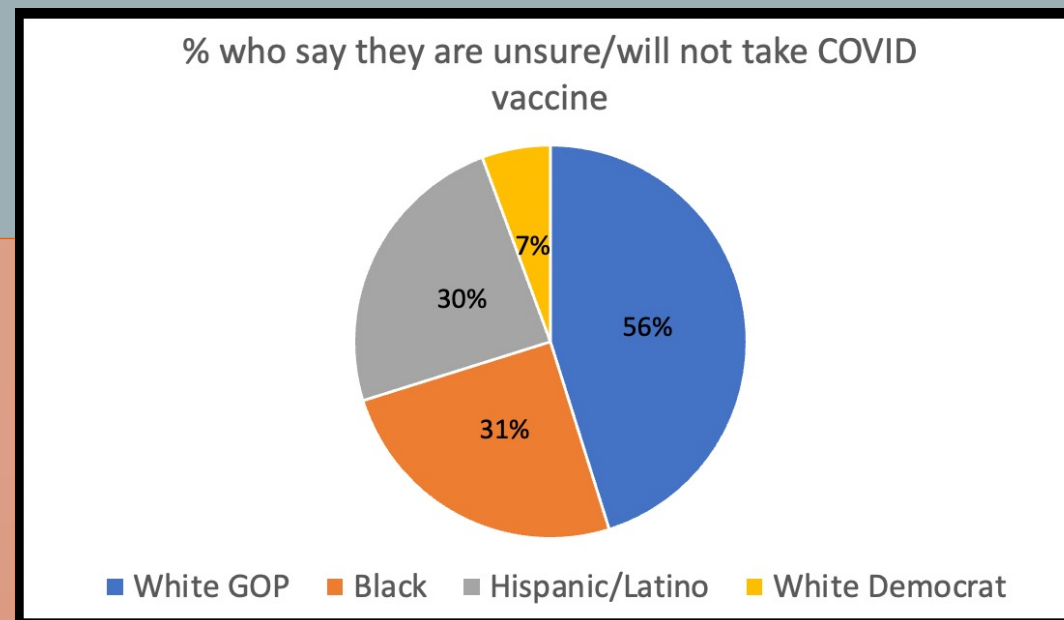

**Belief in one conspiracy theory often leads to belief in others.**

## Who Believes in Conspiracy Theories?

Political Ideology	% of Sample	Pharma	CDC
Conservative	29.8	11.1	40.2
Neither	40	16.4	22.6
Liberal	30.2	16.2	8

**Conspiracies surrounding vaccines are one reason that conservatives refuse to take the COVID vaccine at higher rates than others, in doing so endangering the community.**
